## MEDICAL FORM

### To Be Completed by a Physician

Seneca School of Early Childhood Education requires that all students commencing field placement will have an up to date record of immunization which includes TB testing.

**International Students:** If the Two-Step Mantoux test is not available in the student's country they will need to have the test done in upon arrival. **The two step TB testing process takes a *minimum* of two weeks to complete and can be done at the Seneca College Health Centre or through advisement of Concise Health Solutions.**
