tcs CodeVita™

Season XIII

The 13th season of TCS CodeVita™ promotes the visionary theme **“Code for Impact”** which encourages all coders to leverage their skills to solve real-world challenges and foster a better future.

Unveiling TCS CodeVita™

TCS CodeVita™ is a 24-hour global programming competition for students with the notion of “**Programming as a sport.**” It encourages budding coders to sharpen their programming skills through real-life problem solving and win the ‘**World’s Best Coder**’ title.

Highlights

- Bagged Guinness World Record title for the ‘**World’s Largest Computer Programming Contest,**’ with **136,054** student registrations from 98 countries
- **12.5k+** offers through CodeVita since 2015
- Won ‘BW Merits from Business World’ award for the ‘**Persistent Long Running Campaign**’ in 2024
- Secured place in Limca Book of Records as the ‘**Largest Competitive Programming Team Event**’

Road to Finale

Scale and Complexity

Open Book Test:

Enabling real-time research and problem solving

Flexibility:

The tests can be attempted, anytime & anywhere

24 Hours 8 Programming Languages

6 Questions 6 Hour window

Awards Up for Grab

Top 3 Super Coders

Winner – USD 10,000

1st Runners Up – USD 7,000

2nd Runners Up – USD 3,000

Top 25

Certificate of merit

Emerging Coding Talent Award

1st and 2nd Year
Graduation Students

Awards for Top Women Coders

Global Rank Certificate for
Top Performers

Resources to help prepare for TCS CodeVita

1. MockVita

A simulated coding contest, performed in multiple series, designed to help participants prepare for CodeVita to develop familiarity with the platform.

MockVita 1:
29th – 30th August 2025
Friday - Saturday

MockVita 2:
12th – 13th September 2025
Friday - Saturday

2. Webinars for knowledge sharing

Webinars designed to give our coding talent a competitive edge

3. Blogs

Success stories and insights from the world of programming to help participants excel.
