### Studying From Home

This checklist is for international students who (i) have applied for their study permit before Aug. 31, 2022, (ii) will be staying in their home country, and (iii) joining classes online because they cannot travel due to the COVID-19 pandemic. Students are encouraged to travel as soon as it is safe to do so. (NOTE: If you will be moving to Canada to take your classes here, please refer to the **TRAVELLING TO CANADA** version of this document.)

#### IMPORTANT INFORMATION

If you're already studying online from outside Canada, you must have submitted your study permit application no later than Aug. 31, 2022 to continue studying abroad.

If you are a new student in the Fall (Sept.) 2022 Term, you must submit a study permit application prior to beginning your program.
