

KEY

Course Hours: x/y = x (Lecture) /y (Lab)

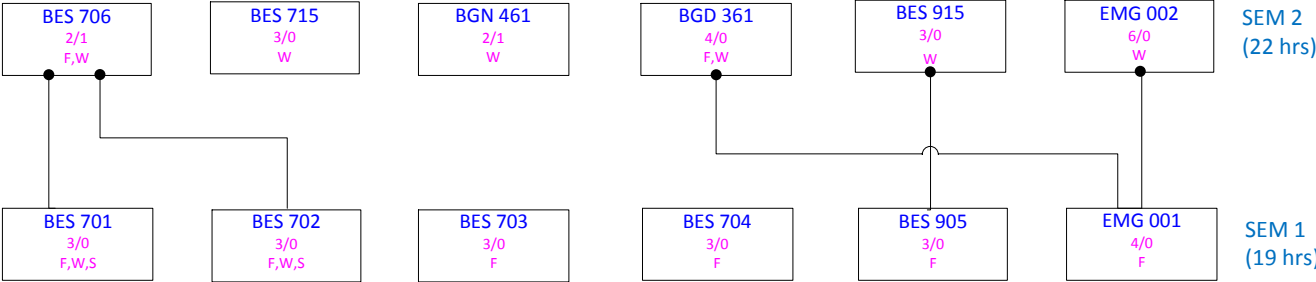

● Prerequisite

# Energy Mangement Built Environment Curriculum (EMB)

{Rev 2 March 16,2017}

F. Tsionas  
Mar.16/17

Availability: F – Fall, W – Winter, S - Summer

## SEMESTER 1

**BES 701:** Heating  
**BES 702:** Air Conditioning  
**BES 703:** Air Handling  
**BES 704:** Electrical  
**BES 905:** Intelligent and Integrated Building Control Systems  
**EMG 001:** Green Building Project

## SEMESTER 2

**BES 706:** Water Treatment  
**BES 715:** Energy Efficiency and EM & V in Large Buildings  
**BES 915:** Energy Auditing and Energy Efficient large Buildings  
**BGD 361:** Building Systems CAD  
**BGN 461:** Energy Technologies  
**EMG 002:** Energy Modeling Project
