

# SEMET Laboratory Code of Behaviour

To ensure the safety of all students and faculty within SEMET Labs at the Newnham campus, the following rules apply in the following labs:

**A4056, A4058, A4060, A4066, A4068, A4070, A4071, A4072, A4073, K2200, K2240, K2261 and (A4081, A4088) \***

1. Students are always expected to conduct themselves professionally and safely.  
Be aware of the nearest fire extinguisher and the location of the safety station and its supplies in the SEMET Lab.
2. Food or drink is not allowed at any time.
3. Safety glasses are mandatory when the power is ON.
4. Other precautionary safety equipment will be used or worn when necessary—no open-toed shoes or sandals.  
Long hair must be tied back.
5. All laboratory equipment brought into SEMET labs must be CSA-approved and in good working order.
6. Vandalism of any kind will not be tolerated; please note that security cameras are in place to protect the college property and occupant safety. Offenders will be subject to the terms of the College's Student Rights and Responsibilities Policy.
7. Wash hands after soldering.
8. Failure to comply with the SEMET Electronics Laboratory Code of Behavior will result in a zero (0) lab grade.

\*Rule 3 does not apply to these labs.
