

Dropping a Course from Your Class Schedule

Access to drop classes is available until the [deadline to drop courses](#).

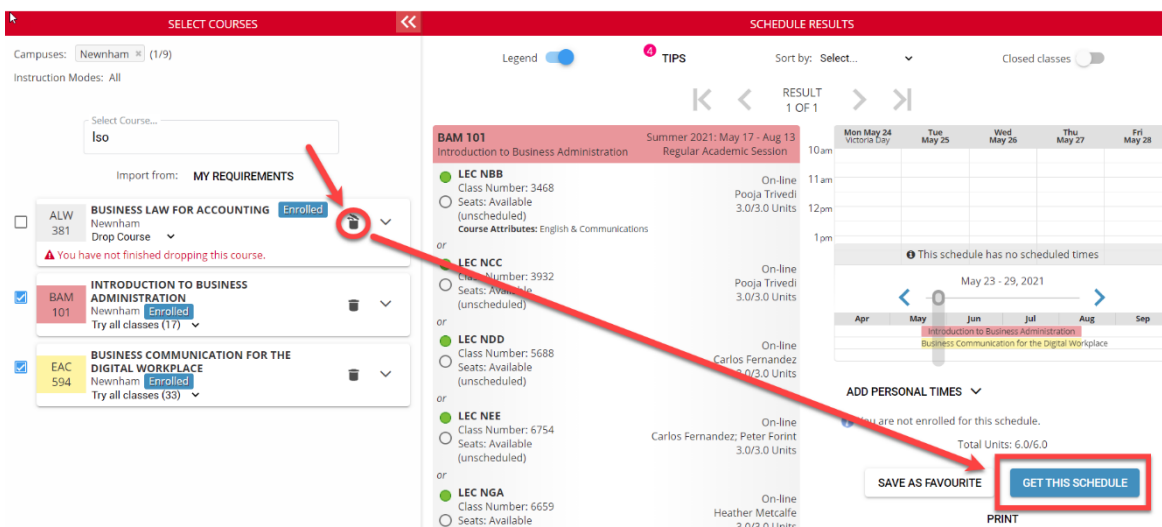

Dropping a class after the drop deadline requires a completed [Timetable Change form](#), submitted to the Registration Office at theservicehub@senecacollege.ca.

To drop a class **before** the [deadline to drop courses](#), follow the instructions outlined below.

1. Log into Student Home and select the **Manage Classes** tile, then select **Build Schedule**.

2. Navigate to the class you wish to drop in the **Select Course** column and click on the trash can. Select **Get this Schedule**.
For programs that enrol through Blocks or groupings, you may not be able to drop classes that are part of your current Block.

- Under the **Action** column, you will see **Drop** beside the class you wish to drop. Double-check that this is the correct class. Select **Do Actions**.
