Published 3/17/2023 by [Martin Fortunato](#)

A Faculty-Led Program Abroad (FLPA) is where intensive learning and travel intersect. You will join a group of students as you experience the world under the watchful eyes of a Seneca faculty member. This global learning opportunity is a great way to build or start your international experience.

If you missed out on a Summer 2023 FLPA, consider participating in one during Fall 2023 or Winter 2024.

Keep an eye out on the [current opportunities page](#) for upcoming FLPAs in these amazing destinations:

- India
- Japan
- Thailand
