

General Education Course information sessions

Published 3/29/2023 by [Katherine Apostolou](#)

All students are welcome to attend an information session about General Education Courses (GECs). These sessions will include information on GEC requirements and how to add them using Virtual Schedule Builder (VSB).

Sessions will be available online (via Microsoft Teams) and in person. We will not be adding courses to your timetable during this session, instead, we will be teaching you how to add them on your own.

Seating for the in-person sessions will be available on a first-come, first-served basis. If the room is full when you arrive, please use your laptop or cell phone to join the session online or access a workstation in the Computing Commons.
