

Invitation to participate in an online research survey

Published 4/24/2023 by [Kelly Mathews](#)

Are you a Seneca student with classes or on-campus activities at Newnham Campus?

Seneca has agreed to support the distribution of a research survey invitation to Seneca students. The study has received clearance by Seneca's [Research Ethics Board](#).

Seneca students that have had an on-campus experience at Newnham Campus are invited to participate in a research study for an independent master's thesis on designing a spatial sense of belonging for students at Seneca. The main objective for this Master of Design study is to examine the concept of belonging as a tool for evaluating the design of institutional settings.

To participate in this study, you need to be a current Seneca student over the age of 17. Participation involves completing an online survey that will take approximately 10 minutes of your time.

You can read the [research recruitment letter](#) or [access the letter of information and complete the online survey](#).

If you are interested in participating, please complete the survey by Friday, April 21, 2023.
