

Meet our new Project Coordinator

Published 4/12/2023 by [Lindsay James](#)

Hello! I'm Brittney Mitchell, the coordinator for the I-Care Project and a second-year student in the Seneca Opticianry program. As the coordinator, my role is to support the lead optician and address any inquiries to ensure a smooth process for everyone involved.

A little background about me - I was born and raised on the beautiful Caribbean island of St. Vincent & the Grenadines, and I have been living in Canada for the past 12 years. Some of my hobbies include playing the steel pan, traveling, and reading.

I'm incredibly excited to be a part of this project and I'm committed to making it a memorable experience for all of you!

You can reach out to me with your questions at icare@senecapolytechnic.ca
