

Law Clerk speed networking event sees impressive turnout

On March 28, more than 100 students, faculty and law firms attended the inaugural Law Clerk Speed Networking event. Held at Seneca Downtown, the successful breakfast event provided valuable networking opportunities for both students and employers.

Prior to the event, law firms were given student resumes. During networking sessions, Law Clerk students met with law firm representatives to discuss future field placement positions, recruitment opportunities and various career paths. The intimate and informal nature of the event allowed students to practice networking in a professional setting while connecting with local law firm representatives.

Thank you to the following law firms for their contributions to this year's event and their longstanding support to Seneca's Law Clerk program:

- Aird & Berlis LLP
- Bennett Jones LLP
- Bereskin & Parr LLP
- Borden Ladner Gervais LLP
- Fasken Martineau DuMoulin LLP
- Green and Spiegel LLP
