

Attend the 2023 Seneca Innovation Symposium

Published 4/26/2023 by [Stephanie Conte](#)

Join Seneca Innovation on Thursday, May 11 from noon to 5 p.m. to discuss the power of collaboration in innovation, applied research and entrepreneurship.

This half-day event will kick off with a networking lunch, followed by a keynote presentation, a fireside chat and engaging sessions on applied research and entrepreneurship.

We are pleased to welcome Mohammed Ashour, Co-founder and CEO of [Aspire Food Group](#), as our keynote speaker. The event will conclude with a showcase of Seneca Innovation's recent research projects and HELIX ventures.
