SenecaNET is Seneca's Wi-Fi

SenecaNET is Seneca Polytechnic's authenticated network for the wireless network connectivity. It is easy to use and is available to all students and employees for access to email, the Internet and the Seneca network. Wireless access is available at all campuses and on the Seneca Bus Shuttle service. SenecaNET provides:

- Secure wireless network access
- Wireless network that is compatible with all major operating systems
- Authenticated Ethernet connectivity
- High speed connectivity to Seneca Polytechnic information systems, resources and the Internet

How to connect to SenecaNET Wi-Fi
