

National Alert Ready Test

Published 5/9/2023 by [Sulakshan Sabaratnam](#)

On May 10, 2023, Ontario, along with other participating provinces and territories, will be conducting a province wide test message through Alert Ready, Canada's emergency alerting system.

The test message will be distributed over television, radio, and compatible wireless devices at 12:55 PM EST.

For more information on the Alert Ready system, please visit alertready.ca.

Seneca has its own Mass Notification system through SenecaSAFE.

SenecaSAFE Mass Notification

SenecaSAFE provides campus alerts through a variety of channels, including:

- Push notification directly to your phone
- App alerts
- SMS text message
- Desktop computer screen displays
- Phone call and/or voicemail
- Digital displays
- Website and social media alerts

When an emergency occurs at Seneca, an alert will be pushed out by Security to notify the community.

Download the SenecaSAFE app [here](#).
