

Placement Cards

Version 10

Published 5/19/2023 by **Adam Chisholm** Last updated 4/24/2025 7:56 PM by **Adam Chisholm**

A placement card is a plastic photo-only ID card used in certain programs (like Seneca Nanji Foundation School of Nursing, and Early Childhood Education) to identify yourself as a Seneca student while on a work placement. A placement card is not the same as a OneCard.

To get a placement card:

- Ensure that you are registered in a course that requires a placement card
- Go to <https://myphoto.senecapolytechnic.ca> to submit a photo and photo identification. You will need to log-in with your username (not your email address) and password. When it is approved you will receive an email at your Seneca email address.
- Visit the Service Hub at Newnham or the OneCard office at King and Seneca@York campus and let them know your program requires a placement card and that you have submitted your photo.

Expiry

Placement cards issued now are valid for the 2025-26 academic year.

Groups

Are you coming with a group of ten or more? Please email onecard@senecapolytechnic.ca to arrange a time to pick up these cards.
