

# RegisterBlast Information for PLE & PLEA Students

Version 8

Published 7/6/2023 by [Lani Ip](#) Last updated 8/15/2023 8:26 PM by [Lani Ip](#)

RegisterBlast is an online test / exam registration platform the Test Centre will be piloting to manage current (Summer 2023) PLEA and PLE program students writing at the Test Centre.

After Faculty have submitted testing to the Test Centre, students are now required to schedule (register) a test date if they intend to write at the Test Centre. Tests / exams must be scheduled **no later than 2 days (48 hours) before** a test date.

## How to Access the RegisterBlast Platform
