

Register for an upcoming Career Recharge workshop

Published 8/23/2023 by [Katherine Apostolou](#)

This fall, two new sets of Career Recharge workshops will assist you in honing the skills you need to progress in your career.

NEW: Once you've completed all four workshops in the series, Career Recharge will provide a free Digital Certificate of Completion for the series that you can post to your LinkedIn account. To receive the certificate, you must sign in on the tracking form during the live workshop for your attendance to count towards the certificate.
