

Join the webinar series: Ontario Diploma to Seneca Degree

Published 9/18/2023 by [Katherine Apostolou](#)

From Monday, Oct. 2 to Friday, Oct. 6, join the Ontario Diploma to Seneca Degree webinar series and start planning the next steps of your academic journey. Students can use their Ontario college diploma to fast-track their path to earn an honours bachelor's degree at Seneca Polytechnic in less time.

Participants of the webinar can explore the various degree pathway options available for their Seneca diploma. Information will also be provided on how you can qualify for Seneca's \$2,500 Diploma-to-Degree scholarship. Access information and connect with Seneca degree program representatives and pathways experts get immediate answers to your questions during our live webinar series.

All students or recent graduates from a part-time or full-time diploma program at an Ontario college are welcome to attend. Before attending the event, access the [Inbound Transfer Guide](#) to research available pathway options based on your diploma credential.

Please note that [registration for this webinar is required](#).

We look forward to seeing you there!
