## **Ready Set Success (RSS): Seneca Transition Program**

Ready...Set...Success! (RSS) is a transition program for new students with disabilities. RSS is a series of interactive group sessions designed to help students with disabilities or accessibility needs develop and refine successful learning skills and habits. RSS takes place just before the start of the Fall and Winter terms each academic year. Participants have the option to attend either in person at the Newnham campus or online via Microsoft Teams.

RSS participants will learn about such things as:

- The differences between high school and college.
- How to access accommodations.
- Different assistive technologies and learning strategies.
- Services that are offered by the Seneca Student Federation, Athletics and Recreation, Learning Centre, Library Services, etc.
- OSAP, bursaries (BSWD) and other Financial Aid matters.
- And so much more!
