

President Agnew to speak at Toronto Global Forum

Published 10/4/2023 by [Ryan Flanagan](#)

On Friday, Oct. 13, President David Agnew will be part of a panel discussion during the [Toronto Global Forum](#), an event bringing together thought leaders and decision-makers to discuss important issues.

Moderated by Andrew Park, President, Ontario Medical Association, the panel titled *Future-Proofing Global Healthcare* will include discussion around aging populations, changing consumer demands and the rapid progress of health-related technologies.

Held annually since 2006, the Toronto Global Forum is organized by the International Economic Forum of the Americas
