Enrol in Research Learning Series modules

Published 10/10/2023 by Stephanie Conte

The Research Learning Series includes five different modules that will provide you with important information for when you embark on your research journey. Modules include:

- Equity, Diversity, Inclusion and Belonging in Research Design and Implementation
- Research Intellectual Property
- Research Ethics
- Research Survey Questions
- Responsible Conduct of Research

Learn more about the modules.

Registration deadline is Wednesday, Dec. 13.
