

Medical Assessment

Version 27

Published 10/20/2023 by [Nadezda Tsygankova](#) Last updated 7/25/2025 2:38 PM by [Kathrina Lalog](#)

Medical Assessment

Please download, print and bring this [Seneca School of ECE Medical Assessment Form](#) to your doctor for them to fill out. This form must not be older than one year. If renewing your medical, you may use the same medical form. Have your doctor complete the updates in the same medical form. They will need to sign with current dates.

Medical records from your family doctor must include completion of these immunizations:

- Measles, Mumps & Rubella (MMR)
- Varicella (Chicken Pox)
- Hepatitis B
- Tetanus, Diphtheria, Pertussis
- Polio
- Annual Influenza Immunization
- Mantoux Testing for Tuberculosis (TB); possible chest x-ray

You can also complete this form through the [Seneca Medical Centre](#) by emailing [Seneca Medical Centre](#) using your Seneca email and including the following information in your message:

First time patients, please fill out the appropriate registration form before visiting the Centre.

- [international students](#)
- [domestic students and/or employees](#)
- All previous immunization records

Students can get their flu vaccine directly through [Toronto Public Health](#) or your local

pharmacy at no cost. Students must **schedule an appointment** at their preferred location and should book early to guarantee a spot. Learn more about the **flu vaccine**.

Should you choose not to take the influenza vaccine or other immunizations, you must complete the **Statement of Conscience or Religious Belief Immunization Form** and present it to Synergy Gateway Verified and your placement. This affidavit must be signed and stamped by a Notary or Commissioner for Taking Affidavits (eg, a lawyer).

Annual Tuberculosis Self-Verification Form

If you are not yet due for your annual TB 1-step, this form must be completed and submitted to SynergyGateway. Complete the **Annual Tuberculosis Self-Verification Form** follow the instructions. Add your information and signature to verify your TB status. NOTE: Some placement sites may require a more recent tuberculin skin test (TST) (i.e. within the last 6 months); check placement site requirements well in advance of your start date.

Some options for Notary and Commissioner services:

Toronto Notary Public

Notary Pro

Notary Assist Inc (online services)

These are suggested options. Students may choose other organizations.

NOTE: Seneca has no affiliation with these organizations.

Please note that students that do not receive the flu shot will need to leave placement if there is a flu outbreak at placement. Students will be permitted back once approved by Public Health. Student must make up missed hours/days.

Seneca's Medical Centre

The Seneca Medical Centre is located at Newnham Campus in A3000. It was established to provide a wide range of health services to current Seneca students living away from home.

The Centre's health care team includes registered nurses and medical doctors.

While the Medical Centre is not a walk-in clinic, last minute appointment requests are accommodated as time permits. Please call or email to get current appointment availability.

Medical Appointments

The Seneca Medical Centre team is available to assist you **virtually Monday to Friday, 8 a.m. to 4 p.m.** with:

Booking an appointment

To book your appointment, please contact the Seneca Medical Centre clinic either by email at seneca.health@senecapolytechnic.ca or by phone at 437.312.0370, and provide your name, contact number and Seneca ID.

Rescheduling or cancelling an appointment

To reschedule or cancel your appointment, please notify the Seneca Medical Centre at least 24 hours in advance, otherwise you will be charged a \$50 no-show fee.

Walk-in/same day appointment

Please call the Seneca Medical Centre prior to visiting the clinic if you are considering a walk-in/same day appointment.
