GLE offers opportunities to add a global dimension to your studies. By participating in one of these opportunities, you will gain transferable skills sought by employers, make friendships that will last a lifetime, and enrich your learning experience at Seneca.

Learn how to get involved with GLE by attending the Fair, and meet GLE alumni to learn about their experiences. You will learn about Faculty-Led Programs Abroad, Summer Academic Programs, Semester Exchanges, and the Cultural Intelligence (CQ) Badge. There will also be games and information booths for all Seneca students to explore and have fun!

Date and Time: 2 p.m. – 4 p.m., Tuesday, Nov.7

Location: Newnham Campus, CITE Level 2
