

Fall 2023 Course Assessment Survey now open until Dec. 3

Published 11/22/2023 by [Stephanie Conte](#)

The Course Assessment Survey is now open to all students. Please complete the survey as soon as you can. It closes on Sunday, Dec. 3.

All students who complete the survey will be entered into a draw to win some great prizes, including two pairs of tickets to see a Toronto Raptors game at Scotiabank Arena.

The information collected in this survey is very important. It helps us improve your classroom experience and lets your professors know what's working and what isn't. Our goal is to continue improving so we can deliver a great education that prepare you for your career.

We are also interested in hearing your experiences with Seneca Polytechnic's academic delivery options (in-person, online, hybrid and flexible).

You received an email on Monday, Nov. 13 that you can use to access the survey for each of your courses. If you are enrolled in both continuing education and daytime courses, you will receive two links.

Responses are confidential, and you will not be identified in any reporting of the results.

If you have any questions, please contact [Daniel Smith](#), Acting Director, C-IDEA.

Thank you in advance for your participation. Your feedback is greatly appreciated.
