

Seneca Sting women's soccer team going to the CCAA National Championship

Published 11/10/2023 by [Stephanie Conte](#)

Congratulations and good luck to the Seneca Sting women's soccer team, who will be playing in the Canadian Collegiate Athletic Association National Championship on Saturday, Nov. 11 at 2 p.m. in Summerside, P.E.I.

This has been the women's soccer team's year — they've set two Ontario Colleges Athletic Association (OCAA) records for the most goals in a game and in a season and are OCAA champions.

Interested in watching the game? A [live stream](#) is available but please note that it is pay-per-view.

All of Seneca Polytechnic will be rooting for the team — we are #SenecaProud!
