

Explore new Global Learning opportunities

Published 1/2/2024 by [Phuong Anh Pham](#)

Seneca Polytechnic students can participate in one of the [Faculty-Led Program Abroad \(FLPA\) Summer 2024](#) opportunities. By attending a FLPA, students can travel, explore cultures and history around the world, while earning academic credit towards their program.

Destinations for the Summer 2024 Term, include:

- [Japan \(Anime\)](#) — open to all Seneca degree students who require a lower-level LSO
- [Ireland](#) — open to all Seneca diploma and advanced diploma students who require a GenEd
- [Costa Rica](#) — open to Veterinary Technician diploma program students
- [Costa Rica](#) — open to School of Fashion students
- [South Korea](#) — open to certain Seneca Business programs
- [Denmark](#) — open to Chemical Engineering Technology advanced diploma program students
- [Belgium](#) — open to Honours Bachelor of Technology - Software Development degree program students and Computer Programming & Analysis advanced diploma program students

The FLPA Summer 2024 Term application is Sunday, Jan. 28.

Have questions? Attend [our information sessions](#) or [book an advising appointment](#) with a Global Mobility Coordinator.
