

Our domain change to senecapolytechnic.ca

Published 11/20/2023 by [Stephanie Conte](#)

Seneca is now a Polytechnic, and we are [changing our domain name](#) from senecacollege.ca to senecapolytechnic.ca. To support our transition, Seneca Polytechnic's ITS applications and systems will undergo maintenance starting the afternoon of Wednesday, Dec. 20, with completion expected before Sunday, Dec. 24. We appreciate your patience during this period as students and employees will experience service disruptions.
