Follow these steps to build your Class Schedule:

- 1. Log in to Student Home.
- 2. Select the Manage Classes tile.
- 3. Select Build Schedule.

Step-by-step instructions and additional resources are available on how to create your class schedule.

Once complete, review your class schedule in Student Home by selecting "Manage Classes" followed by "View my Classes." You can also view your schedule using the Seneca Mobile App.

COM 101 versus COM 111

During the open enrolment period for your term, you can see which COM class you need to take by doing the following:

- 1. Log in to Student Home.
- 2. Select **Manage Classes** and then **Build Schedule** to open the Visual Schedule Builder. Learn how to use the Visual Schedule Builder.
- 3. Select **My Requirements** to view the courses you need to take.

The Enrolling in COM or MATH courses tip sheet provides more detailed information on how to add these to your schedule.
