## COM 101 versus COM 111

A series of workshops will be held to support you with understanding the differences between COM 101 and COM 111. Please check back for details.

During the open enrolment period for your term, you can see which COM class you need to take by doing the following:

1. Log in to Student Home.

2. Select **Manage Classes** and then **Build Schedule** to open the Visual Schedule Builder. Learn how to use the Visual Schedule Builder.

3. Select **My Requirements** to view the courses you need to take.

The Enrolling in COM or MATH courses tip sheet provides more detailed information on how to add these to your schedule.
