To complete your intent to enrol, log in to your [Student Home](#), select the Academic Records tile and then choose Intent to Enrol in the menu.

Within approximately 48 hours of submitting your Intent to Enrol, you will be eligible to enrol in your classes during the open enrolment period. Please check the list of [important academic dates](#) to view your open enrolment period based on your semester of study. Resources, such as tip sheets and videos for scheduling assistance, are [available online](#).

If you need help or have questions, a series of webinars will be held before September Term classes start (Tuesday, September 3, 2024) to support you with confirming your enrolment and building your timetable. Please check back here for dates.

If you are a current student and need assistance with enrolment support, please visit [The Service Hub on campus or virtually](#), or send an email to [theservicehub@senecapolytechnic.ca](mailto:theservicehub@senecapolytechnic.ca)
