

Successful shift to senecapolytechnic.ca, reminder about upcoming technology disruptions

Published 12/1/2023 by [Sonia Novello](#)

Seneca's websites and applications have successfully shifted to senecapolytechnic.ca as part of our rebranding efforts! If you access links mentioning our old domain, don't fret – our ITS team has worked their magic and instances where the old domain is used, will redirect to our new one seamlessly. However, updating your bookmarks is recommended.

[Learn@Seneca](#) (Blackboard) and [Student Home](#) will also be updated in the coming weeks!

A quick reminder: ITS applications and systems maintenance is scheduled from Dec. 20 to 24, causing technology disruptions, including email response delays from our inboxes and access to applications like [Student Home](#) for grades, transcripts and graduation letters. If you are accessing Seneca's ITS applications and systems during this time, we apologize for any inconvenience and appreciate your patience as we cannot guarantee uninterrupted, consistent service.
