

# Study abroad and earn credits in Summer 2024

Published 1/10/2024 by [Phuong Anh Pham](#)

Are you passionate about travel and eager to explore the world? Consider checking off one of your dream destinations from your travel bucket list through Seneca Polytechnic's global learning abroad opportunities!

Seneca students can participate in one of the [Summer Abroad](#) opportunities.

**Application Deadline is now extended to Sunday, April 7 (except for EFAP Summer School and HNU Summer School).**

**What is a [Summer Abroad Program \(SAP\)](#)?**

By attending a SAP, you can enroll in courses at Seneca's partner institution, travel, and immerse in diverse cultures and histories around the world, while earning academic credit applicable to your program at Seneca. SAP opportunities run in the summer.
