

Jan. 9 winter weather advisory: afternoon update

Published 1/9/2024 by [Anna Dorbyk](#)

Our campuses will remain open this afternoon and evening and classes will continue as scheduled.

The winter weather advisory is still in effect, however, with a severe weather warning in the King Campus area. If you are coming to campus, please exercise caution and take your time. If you feel uncomfortable driving, please use public transit instead. Shuttle buses are running but you should expect potential delays.

Stay safe, Seneca!
