

Data Privacy Online - In and Out of the Classroom – Live Stream Event

Published 10/5/2021 by [Jennifer Kim](#)

The Privacy, Records and Information Management Collaborative (PRIM) was pleased to co-host this live streamed event specifically designed for post-secondary institutions as part of our 2021 Data Privacy campaigns.

Guest Speaker

David Goodis, Assistant Commissioner, Information and Privacy Commissioner/ON and Ontario college PRIM Members

Topics include protecting student and employee privacy in an online environment, safeguarding confidential information when working from home, what to consider when delivering/recording lectures and workshops, limiting the collection of personal information and more!

Click [here](#) to access the recording!

PRIM is a collaboration of privacy professionals from 13 Ontario Colleges and OCAS, who are committed to promoting privacy and security awareness and sharing best practices regarding post-secondary institution's records management obligations and privacy practices.
