

# WestJet

Published 1/25/2024 by **Camille Bayarcal**

Since our first flight in 1996, we've sought to enrich the lives of our guests by providing safe, friendly and affordable air travel.

Today, with a fleet of over 180 aircraft and a team of 14,000 WestJetters, we are proud to connect Canadians with over 500 flights daily across our network. Care and connection are at the core of everything we do as we strive for the highest standards of service and success.
