Interested in a Career with Wasaya Airways?

Wasaya Airways LP is an equal opportunity employer, offering competitive compensation and benefit packages. With bases in Sioux Lookout, Pickle Lake, Red Lake, and Thunder Bay, Wasaya Airways LP employs over 270 individuals in a wide variety of primary and support positions.

Our key departments are Flight Operations, Passenger Services, Maintenance, Administration, and Commercial Services (Cargo). Wasaya recognizes individual performance efforts by promoting from within the company whenever possible.

Because employee promotion is a priority, there is a continual need to recruit from outside sources to replace those employees who have advanced. Management criteria for each department reflects a wide knowledge of specific positions within the department/company and encompasses all applicable University and College/Trades diplomas and experience levels that meet or exceed Transport Canada requirements.

Wasaya encourages life long learning for professional and personal development and is a leader in the training of aviation personnel. Please see our employment positions listed by department and check our [Current Opportunities](#) link for current positions available.
