

Voyageur Aviation

Published 1/26/2024 by [Camille Bayarcal](#)

Why Voyageur?

We do it all! Voyageur's Head Office and 200,000 square foot MRO and parts inventory facility is in North Bay, Ontario with Air Ambulance operations based in Moncton, New Brunswick, and long-term air charter operations based worldwide.

We are not your typical aviation company! Our customers are unique including Government, Military, and Special Mission Operators – to name a few.

We support the regional aircraft market globally through our several divisions:

- Voyageur Airways: Passenger and cargo charter services, global ACMI and airline operations.
- Voyageur Aerotech: Aircraft maintenance, repair and overhaul, and design engineering.
- Voyageur Avparts: Component sales and service programs with logistics management.
- Voyageur Leasing: Aircraft sales, leasing, and airline transitional support services.

With over 50 years of operation experience few aviation companies in Canada offer the consistency of service and ongoing success that employees of Voyageur have benefited from.

We Are Growing!

Continued growth and financial stability are hallmarks of Voyageur's continued reputation within the aviation industry.

Career opportunities include:

- Dispatch
- Aircraft Maintenance
- Aircraft Engineering
- Flight Operations
- And More!
