ArcGIS

Version 11

About ArcGIS Pro for desktop

Students and faculty within the **School of Environmental and Civil Engineering Technology** can download ArcGIS for desktop at no cost.
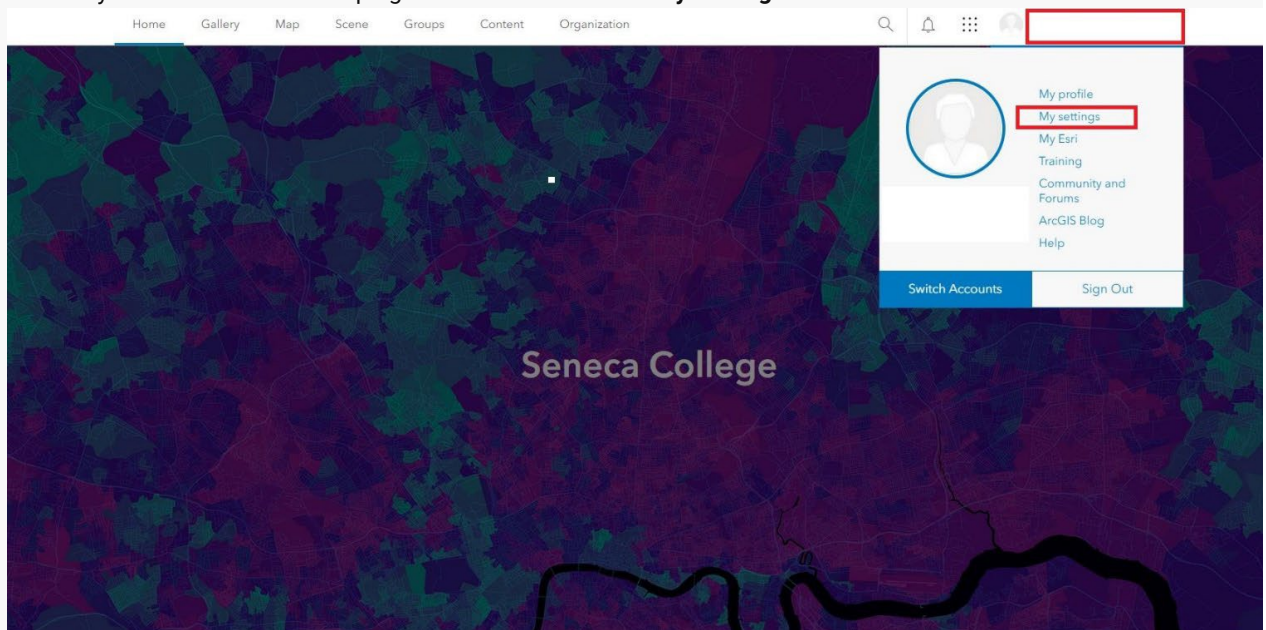

If you are enrolled in an eligible program, or are employed through one of the eligible schools, you can obtain a single-user license and the software to install ArcGIS on your home computer.

Please follow instructions below:

- How to download the ArcGIS Pro 3.2 Installer
- ArcGIS Pro 3.2 Setup
- Licensing and authorization
- Installing updates

How to download the ArcGIS Pro 3.2 Installer:

1. Visit https://senecatechnology.maps.arcgis.com and select **Seneca SSO**.
2. Sign in using your @myseneca.ca account (or @senecapolytechnic.ca for employees).
3. Click on your username on the top right-hand side and select **My Settings**.

4. Click **Licenses**.
