Hello! My name is Vanessa and I am currently teaching HTM409 in the School of Hospitality and Tourism.

After graduating from the Ryerson Hospitality and Tourism Management Program, I have been fortunate enough to have had the opportunity to work across many sectors of the industry including food and beverage, hotel front office, travel, and events, and for well known brands such as Starwood Hotels, Starbucks, TIFF, and Expedia.

With over 15 years in the industry, I strive to share all the different avenues and adventures a career in Hospitality and Toursim can provide for students, and look forward to helping them find their path to success!
