

Bentley Applications

Version 3

Published 1/23/2025 by [Jennifer Kim](#) Last updated 1/23/2025 1:58 AM by [Nadine Chautilal](#)

About

Bentley Systems announced the Bentley Education program which encourages the development of future infrastructure professionals for careers in engineering, design, and architecture. Bentley applications are available for Civil Engineering and Building systems program.

License

A free learning license is available to the program's student and educators' entitlements of Bentley infrastructure engineering applications and proved learning.

Instructions

View the video with [step-by-step guide](#) to download, install and activate the Bentley applications from the Bentley Education Portal.
