My name is Ofir Perelman and I teach a variety of courses in the SoHT.

After immigrating to Canada, I started out as a student in Seneca at the SoHT.

With the encouragement of my Seneca profs, I continued to advance my education and obtained a Masters in Tourism.

I love bringing my knowledge and passion for the industry to the students and helping them achieve their goals.

For over 15 years, I have been working in a variety of sectors in the hospitality and tourism industry in diverse organizations across the world.

I love travelling, exploring cultures and trying new cuisine. I look forward to getting to know my students and seeing where their career takes them in this exciting industry.
