

E-waste

Version 4

Published 4/2/2024 by [Nadezda Tsygankova](#) Last updated 4/5/2024 12:55 PM by [Nadezda Tsygankova](#)

Electronic waste, also known as e-waste, includes items such as computers, phone systems, cabling and other office electronics that are ready for disposal.

Seneca collaborates with a recycling electronics company in Ontario to divert this waste from landfills safely and securely and upcycle the materials into valuable products. E-waste bins are located across the four main campuses to collect items for recycling.

E-waste bin locations

King Campus

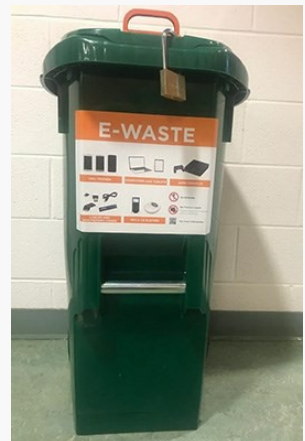

- Computing Commons, Pod C, Garriock Hall, King Campus
- In front of the Service Hub, Room GH2100, Garriock Hall
- Library, near the Media Room, Magna Hall
