

Living Labs and Research Opportunities

Version 3

Published 4/3/2024 by [Nadezda Tsygankova](#) Last updated 4/5/2024 1:11 PM by [Nadezda Tsygankova](#)

Seneca's [Sustainability Plan](#) highlights the importance of using our campuses as laboratories for exploring and finding solutions for complex problems that face our greater global community, preparing students to be leaders for our future. If you are interested in conducting research at the farm, using the site as a case study, or accessing system data/information, please contact the Office of Sustainability.
