Student Profile Questionnaire

Student Profile Questionnaire helps our field placement team match you with a placement. This can be completed before your complete Step A.

Please complete the [Student Profile Questionnaire for Summer 2026](#). The Field Placement Team will see your information as soon as you submit your response. These questions help the Field Placement Team find the best suitable option.

Answer all questions accurately with the correct information. Please include the accurate full name of each organization you have had field placement experience in.

Missing or inaccurate information may lead to delays in starting field placement.

Semester enrolment dates are posted here:
