

Hackathon 2024 - Post Event

Published 4/16/2024 by [Bruna Aparecida Alves de Lima](#)

On March 16, 2024, the 5th Annual Seneca Housing Hackathon had 1,018 participants from 32 colleges/universities across Ontario - a 49.3% increase from last year. The finale event had around 160 finalists, 72 volunteer students and 40 guests including students, public officials, entrepreneurs and industry leaders

- **1st Place:** Team Enigma won 1st place with their website featuring AI/ML backend analysis that assists students in finding rental homes and gaining market insights. Congratulations Fevin Patel (CPA student) and Abdullah Al Mamun Fahim, Andri Sych, Cleo Buenaventura and Majd Al Mnayer (BSD students).
