Prevention is as easy as 1,2,3!					

The Seneca <b>Safe Walk</b> is a free 24/7 service found on the <b>Seneca SAFE App</b> that provides a walking partner to students, employees, or visitors who wish to be accompanied to their car, Residence, transit stop, or anywhere within the perimeter of Seneca property.					
Safe Walk is comprised of Seneca's campus security team.					
You can prevent an unfortunate circumstance while walking by doing the following:					
<ul> <li>Stay in we</li> </ul>	ll-lit areas and remain alert to your surroundings.				

• Avoid using alleys or less traveled or visible routes.

Keep away from bushes and wooded areas with many h	iding spots.			
Only carry necessary cards or money, and limit your phone usage while walking.				
• Limit your contact with strangers, especially when alone	ı.			
• Listen to your instincts, if you feel that something is wro	ng, it probably is.			
<ul> <li>If crossing a street, make sure that you establish eye corcrossing.</li> </ul>	ntact with the driver before			
Use the <b>Seneca SafeWalk</b> feature found on the Seneca S	SAFE App.			
f you suspect you are being followed you can:				
Establish eye contact so the person knows you see them	٦.			
Cross the street or abruptly change directions if safe to compare the compare to the compare the compare the compare to the compare to the compare the compare the compare to the compare the com	do so.			
Go to a well-lit area, or enter any nearby public building.				
<ul> <li>Make notes of the person's description to file an accurate police.</li> </ul>	te report with security or
