Are there PLAR deadlines?

It is strongly recommended that all applications are submitted prior to the tenth day of classes for full-time courses and prior to the third scheduled class for continuing education courses in order to ensure that deadlines related to academic and refund policies indicated on the Office of the Registrar's Important Academic Dates page are met.

The recommended PLAR deadlines for full-time programs are:

- Summer Term: Mid-May

- Fall Term: Mid-September

- Winter Term: Mid-January
