Report a Tip on SenecaSAFE

Have you ever witnessed something that made you feel comfortable or unsafe? Have a question about
Campus Security is your go-to friend to help with any questions you may have.
Sharing information and asking questions with Security is made easy with our SenecaSAFE app.
The Report a Tip feature lets you share information 3 different ways.

Let's check them out:
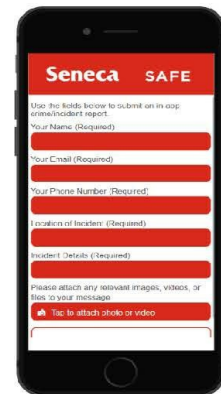

1. In-App Security Tip
- Complete a structured form that will provide Security all the necessary details required for an investigation.
- Here you can attach any photos or videos you have of the incident.

2. Phone Tip Line
- Tap the Call Now button and you will be connected to Security instantly through a dedicated SenecaSAFE phone line.
- Once you are connected, you can share all relevant information so Security can assist you.

3. Chat with Campus Security
- Tap the Chat Now button and you will be connected to a live Dispatcher with our Campus Security Team.
- This is a great way to discreetly report information in real-time to Security.

Things to remember:
- If this is an emergency, call 911 directly or through the app under the Emergency Contacts section. Contact Campus Security when safe to do so.
- You can always report an incident or speak to Security in person. Here is a list of our offices:
