Congratulations to the Seneca Sting women's soccer team on their induction into the Toronto Sports Hall of Fame at the Pan-Am Centre on Tuesday, June 4. The team was honoured as Toronto's "Team of the Year" following a historic 2023–2024 season.

The Sting won the first Canadian Collegiate Athletic Association (CCAA) Women's Soccer National Championship in program history and became the first team from the Ontario Colleges Athletic Association (OCAA) to win a women's soccer national championship.

They join the 2017-2018 men's basketball team, who were awarded in 2019.

We are #SenecaProud.
