

The spring edition of RED 2024 is here!

Published 6/14/2024 by [Danielle Latanskiy](#)

The first spring edition of *RED*, our magazine for the Seneca community, is here! We've made some design improvements and digital enhancements and hope you enjoy the new look.

Our feature story is about Seneca Works expanding our experiential education and career development services. You can also read about the [latest happenings](#) at Seneca Polytechnic, some incredible [graduate success stories](#), the generosity of our [steadfast donors](#) and more.
